Thank you for perusing our new **WORKSHOPS 2007- '08** catalog. We hope you find offerings inspiring and worthy of your participation in the coming year. Please feel free to give us a call or visit our website for further information about the Sedona Arts Center, our Workshops, Local Community School classes, and Field Expeditions in and out of the United States – you won't be disappointed!

How enriching it is to add the benefits of attending workshops and classes in Sedona to your experience of the area. *Lifestyles Magazine* recently named Sedona the #2 arts travel destination in the country for a city our size, second only to Santa Fe, New Mexico. Sedona presents over 80 opportunities to explore our many fine arts and crafts galleries; art, film and music festivals; outdoor recreation extraordinaire; and spas and resorts in an environment that promotes personal, spiritual and creative quests.

We encourage you to become a Member of the Sedona Arts Center and enjoy benefits including discounts on purchases in our Members Gallery, exhibition purchases, and selected workshops and classes. Membership also entitles you to up-to-the-moment information on events and news at the Arts Center. As a non-profit organization, your membership supports our educational mission and scholarship programs. Join us in enriching the lives of others while adding new dimensions to your own.

As we plan for our 50th Anniversary in 2008, we invite you to share in the excitement. See you in Sedona!
