"The Sedona Arts Center's mission is to provide diverse art experiences for individuals and the community through classes, exhibitions, special events and community outreach programs."

Thank you for reviewing the Sedona Arts Center's Summer 2008 Class Catalog!

As we continue our annual Membership Campaign, tidy up after a wild and crazy Opening Reception for our 28th Annual Juried Members Exhibition, and enjoy the beauty of spring-time in Sedona, we are preparing for an eclectic summer series at the Sedona Arts Center's Nassan Gobran School of the Arts.

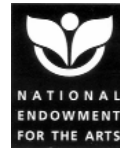

Once again, we invite our Sedona/Verde Valley area year-round residents and our summer visitors to explore their creativity at the Sedona Arts Center. We will not disappoint!

2008 marks 50 years of articulating our arts education mission through our Uptown Sedona Campus offerings. Our Community School classes are complemented by workshops led by renowned art educators and exciting field expeditions to exotic arts-making destinations in the United States and Europe. Call us for further information or visit our websites: www.SedonaArtsCenter.com (click on NEWSLETTERS for the latest Arts Center scoop!) and www.SedonaPleinAirFestival.com.

Vince Fazio, Director of the School, and Debbie Winslow, School Operations Director are dedicated to making your arts education experience a positive one. Let us know if you have questions or recommendations regarding our year-round curricula.

In other news, we want to welcome Shirley Eichten-Albrecht as the new director of our Members Fine Art Gallery. She is ably assisted by Miro FitzGerald, Susan Shahidi, Diane Schwilling, and Julee Norton-Cohen. This talented team is reviewing the gallery policies/procedures, including the jury process, a "featured artists" plan, and work rotation. Lots of work for the summer months!

We appreciate your continued support and interest in the Sedona Arts Center - "Creativity Central" in beautiful Sedona.
